

# UNVEILING NEW PRODUCTS. MAKING NEW FRIENDS.

Back in February, we spent a few days at the Kitchen and Bath International show (affectionately known as KBIS). We met some cool people, showed off our latest products, and spread the message of affordable design. Here's a look at some of the highlights.

---

#### **It's matte black. And yet it shines.**

Our newest finish will make a strong statement in your next project. Now you can get your hands on the industry's hottest look. Without overpaying for it.

#### **Contemporary. With vintage roots.**

With its throwback industrial design cues, our new Westchester™ collection brings a sturdy and robust flair to traditional home design.

---

#### **Attractive design. Beautiful price.**

The new Parkwood™ collection is designed to give trade pros an entire suite of products that's both affordable and stylish.
