Top 2018 Bathrom Design Style Choices

forward-thinking design approach, with clean lines, geometric patterns, flowing curves and hard angles.

Jetta's Affinity Collection meets these changing bathroom design trends

Let Jetta give you the modern look and feel your customers are demanding with our Affinity Collection. The Collection's modern design features smooth, clean lines and minimalistic bathing well, making it well suited for Contemporary, Transitional, and Modern bathroom design styles.

Affinity is for your customers who want a modern look but still desire a functional hydrotherapy experience.

- NEW InvisiJet Technology - Clean minimal look with the same classic whirlpool feel
- Modern integrated linear waste & overflow
- Available in all 4 hydrotherapy options

Rectangle : Knox - Center Drain
Porter - End Drain

Oval : Darby - Center Drain
Rowan- End Drain
