## **FREESTANDING FOR THE REMODEL MARKET**

Part of the Jetta way is providing our customers the best in selection in freestanding acrylic baths. That's why Jetta offers 12 freestanding styles that are 60" or less and ideal for the remodel market.

- Rectangle and oval models
- Center drain and end drain models
- 2-piece and 1-piece acrylic construction models
- All with linear integrated waste and overflows
- Waste and overflow available in polished chrome or color match white.

## **Your choice of 1- piece or 2-piece acrylic structure**
