Date Posted: 2019-09-12

The Delta® product team is pleased to announce the expansion of our HydroRain® Two-in-One product offering.

Order Date: Now

Ship Date: October 1, 2019

Product Description:

A Delta HydroRain H₂Okinetic Two-in-One Shower Head with Hand Shower completely transforms your shower with dual shower head functionality, featuring an integrated raincan and hand shower. The power of the raincan and hand shower together creates an immersive, spa-like showering experience that you can install in minutes to a standard shower arm, without altering the plumbing behind the wall. The integrated hand shower

stays put every time you dock thanks to MagnaTite® Docking and provides maximum flexibility and control when you need it, while the H₂Okinetic PowerDrench® Spray feels like more water, warmth and intensity without using more water. Don't just take a shower, transform it, with a Delta HydroRain Shower Head.

The HydroRain offering will be available under the Universal Showering platform and coordinates perfectly with existing Delta bath collections.
