3 easy upsells

Jetta offers many upgrades that not only give your customer the opportunity to customize their bath but also gives you a great way to build more margin with each drop-in bath that you sell.

Increase your drop-in tub revenue with these 3 popular upsells:

MOOD LIGHTS

Create the perfect relaxing mood for your customer's personal oasis through a constant color or a flowing color sequence. Two available styles: Mood Light (no color), or LED light with multiple color modes.
