

NEW! Delta® In2ition® 4-Setting Two-in-One Shower Order and Shipping Notice

Date Posted: 2019-10-10

The Delta product team is pleased to announce the expansion of the Universal Showering offering with two new styles of the In2ition 4-Setting Two-in-One Shower.

Order Date: 11/1/2019

Ship Date: 12/2/2019

Product Description:

The Delta In2ition Two-in-One Shower features a detachable hand shower, which can be used separately from or simultaneously with the shower head. This integrated dual-functionality gives you maximum flexibility without sacrificing warmth, as you can choose

to have water streaming from the shower head only, the hand shower only or both the shower head and hand shower at once.

This new design style will be included in the Universal Showering platform and coordinates perfectly with existing Delta bath collections such as Trinsic[®], Ashlyn[®] and Linden[™].
