

101 Reasons Why it's More Than a Faucet

With an Instant Hot Water Dispenser you'll have the convenience of near-boiling water right at your sink. Instantly have water making for coffee and tea, help save time when blanching vegetables or filling a pasta pot.

There's 101 ways to use an InSinkErator Instant Hot Water Dispenser, that is, until you discover one more.

With faucets available in numerous designer finishes they're a great addition to your kitchen. You can even have a model that provides cool filtered drinking water as well for added convenience.
