NEWPORT BRASS
Flawless Beauty. From Faucet to Finish.™

The **Heaney**® (3190-) collection was inspired by multifaceted shapes found in modern architecture. Angular yet proportional, Heaney adds a sleek flair to any home.

Seager® (3180-) combines both sleek and decorative elements to create the epitome of modern design. Young and bold in spirit but molded by experience.

Zemora® (3160-) is the perfect blend of dyadic elements, round and square complementing each other beautifully. Sophisticated and elegant, while also simple and straightforward.

USA
EvoPEX fittings are
manufactured in Cullman,
Alabama.

Innovation and delivering solutions for improving jobsite efficiencies is part of SharkBite's DNA. The evolutionary SharkBite EvoPEX system is the next step in providing an advanced potable water system for safe and efficient water delivery throughout the home.

EvoPEX is an engineered plumbing system that extends beyond the traditional pipe-and-fitting solutions to include fittings, PEX pipe, outlet boxes, valves and other accessories needed to install a complete plumbing system from meter to fixture. The EvoPEX system doesn't require special installation tools, allowing plumbing contractors to optimize install time, while providing cleaner installations and minimizing the risk of installation errors.
